

Withlacoochee Chapter Sons of the American Revolution

Minutes of EMB meeting on March 25, 2023

The meeting was called to order by President David Hitchcock at 11:04 AM.

Treasurer Richard Bailey reported from 3-11-23 to 3-25-23 total income was \$988.00 and expenses of \$710.27. Motion made and seconded to approve the Treasurer's report. Passed unanimously.

Secretary's report - No report

A discussion was held on different programs that our chapter is supporting in Hernando and Citrus Counties and the costs of doing these programs. Nelson Peters presented a typewritten sheet of 8 programs that we are currently supporting and two others that we could support. Discussion between the members present discussed how to pay for these programs by increasing our membership, Fund raising committee, etc. Nelson is heading up this committee.

If our membership continues to increase, we may need a new venue. The Chinsegut Retreat was discussed as it is close to the Hernando/Citrus County line and therefore convenient for members in both counties. We discussed having a Ball every year as part of fundraising.

President Hitchcock discussed the new format of our general meetings and keeping the time for the meetings at 90 minutes or less. He also wants committees to sit together at the same table so committee business can be discussed. The meeting was adjourned at 12:30 PM.

Members attending Tom Bowen, Larry Sturgeon, Richard Bailey, David Hitchcock, John E. Carey and Nelson R. Peters.

Minutes taken and respectfully submitted by Tom Bowen - Secretary.
