The President opened the meeting @ 1:00 PM. Dave was presenting the new 5 feet X 4 feet Banner, he pointed the printing error that needs to be corrected. It's design is such that it can be attached to a golf cart or carried by parade walkers.

The next issue he brought was to change the day that the EBM should be held. He would like the day to be changed to Tuesday instead of Thursday so that some of the Officers would have fewer conflicts and could attend the meetings. After discussion it was pointed out the there are no Chapter rule regarding an Executive Board meeting and that the President can or not have the meetings, and that the President can dictate The President has changed the EBM to Tuesdays, the week before the General Meeting.
