o Nelson Peters brought to the attention of the President that his work with a schoolteacher in the Hernando Co. system was pleased that there was a program for the teachers and said that a teacher in Citrus Co. would also be interested in the program. There may be a funding problem with some of the school programs to get the new educations programs started.

Richard Bailey expressed his opinion that new programs must meet the SAR Mission Statement.

o Nelson Peter expressed his desire to work with the Registrar.

o The Registrar brought the fact that the chapter has no 'Membership Committee' whose responsibility is to work with the Chapter retention and increase attendance at the regular meeting.
